Dear Tiffany Greenling:

As we look back on this past Christmas Season of Giving, we think of you.

Thanks so much for your generous support of our local toy distribution. Your willingness to be a collection site for us contributed to the success of this past year's Toys for Tots program.

You'll be happy to know that you were a part of putting smiles on the faces of 5,993 children in Collier County!

With deep appreciation,

Maria Ramos
Assistant Coordinator
Collier County Toys for Tots Program
